Board of Directors,

The Henderson Police Department has conducted an exhaustive investigation of the criminal complaint filed on November 22, 2009, by Robert Eugene Frank and John Timothy Stebbins. The complaint alleged that Sun City Anthem Board of Directors members Rosalyn Berman and Roger Cooper committed the act of Forgery, a Felony Violation of NRS 205.095. It was specifically alleged that Mr. Cooper and Ms. Berman knowingly signed a false Board of Director's Resolution in 2008, thus committing Forgery.

After expending hundreds of hours investigating the allegations it has been determined that there is no evidence of criminal conduct by Mr. Cooper, Ms. Berman or any Sun City Anthem Board of Directors member. Consequently, this investigation is being closed as unfounded.

I would like to thank the Sun City Anthem Board of Directors for their understanding and cooperation with this investigation.

Sincerely,

Jutta G. Chambers
Chief of Police
